SUMMARY

First year Information Science and Systems Engineering student interested in software engineering, robotics, AI, automation, and systems design.

EDUCATION

Ritsumeikan University — College of Information Science and Engineering **Apr 2026 - Mar 2030**

- Osaka Ibaraki Campus, First-year student | GPA 4.82/5 | Robotics Club Member

ARC Academy Shinjuku — Language School **Oct 2025 - Dec 2025**

- Intensive Japanese Language Course

Sekolah Dian Harapan Daan Mogot — High School **Jul 2022 - Jun 2025**

- Grade 10 Ranking: 19/176 | Grade 11 Ranking: 1/176 | Grade 12 Ranking: 1/173 | Overall Score: 92.54/100
- Extracurriculars: Chess Club, Debate Club, Futsal Club, Volleyball Club, Mathematics Club, Student Council

WORK EXPERIENCE

iCOM技研 — Engineering and Robotics System Integration Company **July 2026 - Present**

- Worked as an R&D Systems Engineer intern, creating backend software for Universal Robots

PROJECT EXPERIENCE

Stockbit MCP **MCP / Agentic AI**

- A Stockbit-native MCP server and personal market-monitoring daemon.

Personal Chess Engine **C++ / NNUE**

- UCI chess engine written in C++20. Pairs an alpha-beta search with an NNUE evaluation

Random Depalletizing / Palletizing **ROS 2 / Robotics**

- Engineered a dynamic robotic control system for a Universal Robot (UR) during internship.

Portfolio Website **Web Development**

- Personal portfolio website for projects, skills, timeline, and contact information.

Open Source Contributions **Open Source / GitHub**

- Contributed bug fixes and regression tests to RF-DETR, Supervision, and Kornia.

ORGANIZATION EXPERIENCE

Ri-one — Member **Apr 2026 - Present**

- Ritsumeikan University's Robotic Club.

Student Council — Member, Sports Division & Education Division **Jan 2024 - Dec 2025**

- Sekolah Dian Harapan Daan Mogot's Student Council.

SKILLS

- **Main Programming Languages:** Python, C++, TypeScript, JavaScript, C, Java
- **AI & Robotics:** ROS 2 Humble, PyTorch, TensorFlow, OpenCV, YOLO, scikit-learn
- **Data:** MySQL, SQLite, NumPy, Pandas
- **Web & Mobile:** React, Next.js, Node.js, React Native, Flutter, HTML5, CSS3, Tailwind CSS, Three.js, Streamlit
- **Dev Tools:** Git, GitHub, GitHub Actions, Docker, Netlify, WSL, VS Code, Playwright, Figma, Astah Professional

ADDITIONAL INFORMATION

Languages: English, Indonesian, conversational Japanese, IELTS Band 8 (2023); Digital SAT: 1480 (Eng 690, Math 790)

Certifications: ICAS Mathematics Credit and Distinction; ICAS English Credit; ICAS Digital Technology Distinction

Scholarships: Monbukagakusho Honors Scholarship for Privately Financed International Student (2026)

Awards: Gold Medal - Singapore Math Challenge; Silver Medal - AIMO Trial Round Indonesia; Bronze Medal - SEAMO
